FOREWORD

Simple, but vital is the theme of the 1961 year book. "SAIL ON" is encouragement for the ambitious; a gentle push for the plodding; and hope for the disillusioned.

We are on the shore of a stormy sea and only good navigation will take us to the far off harbors safely. The time has come when we have to stop wiggling our toes in the sand and get ready to go aboard a craft christened "Determination."

The year book staff has edited The Voyage for the Hueneme High School students bearing the thought that it doesn't matter what kind of a vessel you might captain—skiff or yacht. The important thing is that you steer a true course. We hope that this year's record will be a reminder.

"SAIL ON", underclassmen—glide through the waves; heed the warning bouys; listen to the fog horns.

Bon Voyage, departing Seniors—have pleasant memories of your last year at Hueneme as the beams from a friendly lighthouse shine on the pages of The Voyage.

Bob
Its been a lot

you this year.
I wish you

Have fun

will continue.

Always,
Elaine Frederick

Bob:
I wish you

It's been a
pleasure knowing

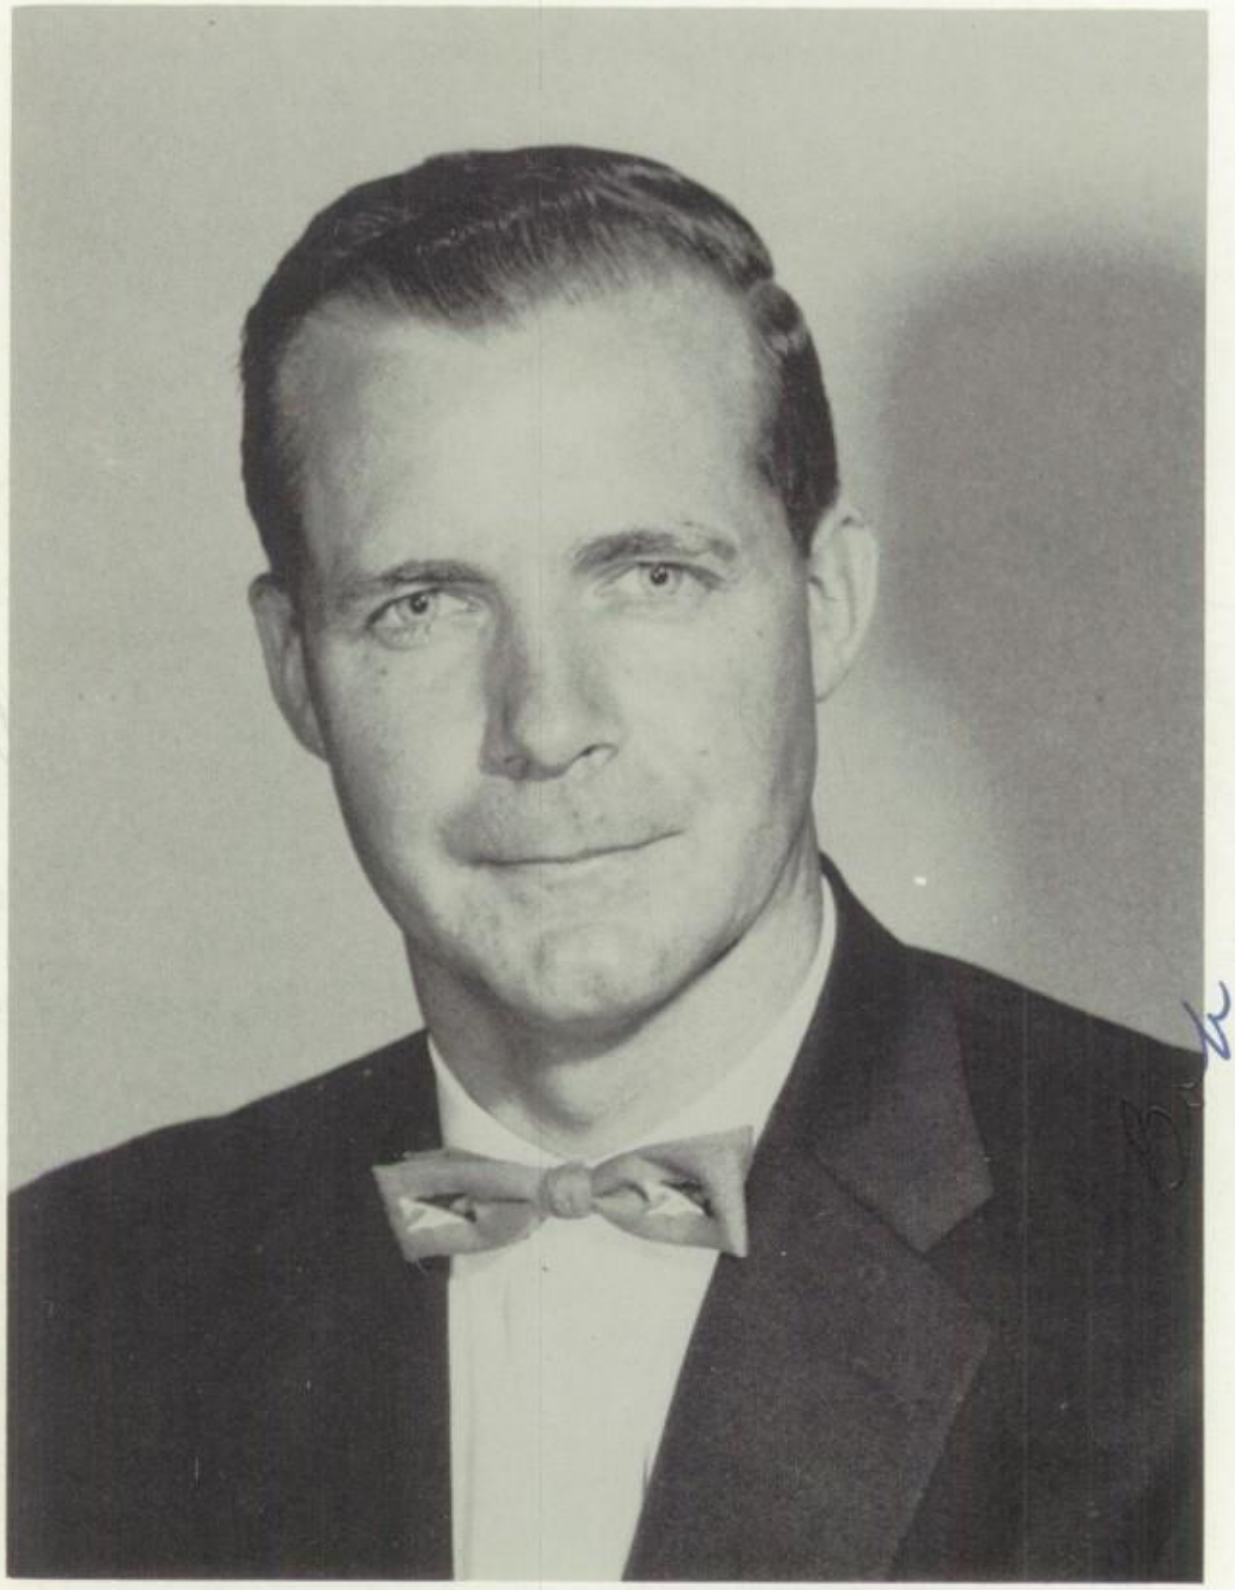
DEDICATION



Andy C. McEuen, Principal

Youth, though partially blinded by its own selfish emotions, could not fail to discover in this man an inspiration. It takes a combination of many victories over human nature to gain the admiration of the young.

The yearbook staff, in behalf of the entire student body, wishes to thank you, sir, for being our ideal—a pattern by which we can hope to mold ourselves into useful men and women.

We, while in the struggle of growing up, have watched you, listened to you, been disciplined by you and received your friendly smile. We have heard you call each of us by name, seen your loyalty to our school and your responsibilities. We have noted your reverence to our God, your efforts toward democracy and your respect for our homes and our parents. We have had your gratitude for all jobs well done and we have felt your interest and love for us and our trying immaturity.

To you, Mr. Andy McEuen, principal of Hueneme High School, we dedicate the 1961 Voyage. May your inspiring leadership continue forever.

HIGH SCHOOL ADMINISTRATION

The voyage of the Vikings for this year has been one in which the community takes pride. Pride in the many accomplishments that our schoool has achieved . . . the traditions that we have set, traditions of outstanding academic achievement and of high and unified morale. Pride in our fine faculty and the way they have challenged your abilities and worked to see that you met that challenge. Satisfaction in the demonstration in the student's assuming their roles in school government and demonstrated democracy in action. Pride in the fact that the name of Hueneme High School has become synonymous with the feeling of co-operation.

And to the first graduating class of Vikings we point with a special pride. The challenge is yours to use your knowledge and experience for the further development of yourself and the betterment of mankind. May you look back on the days at our school as the happiest, and the most profitable in your life, and may your loyalty to this school never wane.

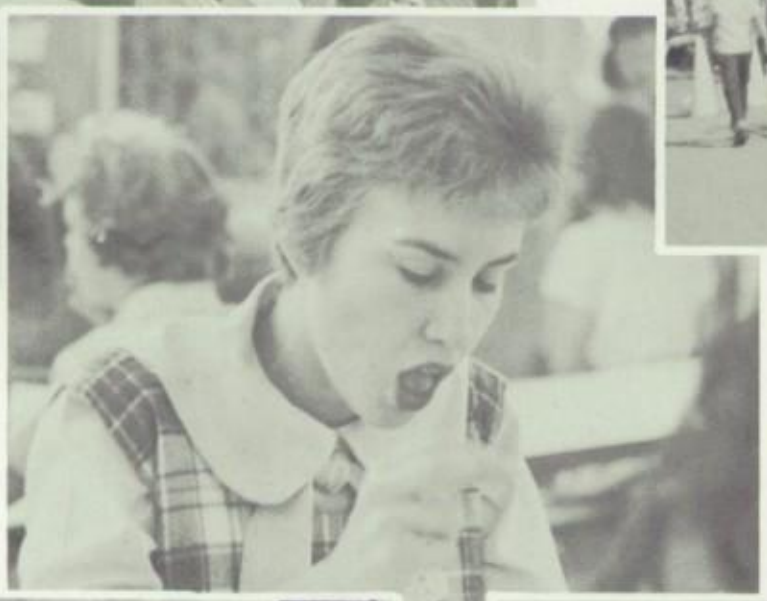
SENIORS

Meditation in the cafeteria

It's your turn to steal a pair of shoes!



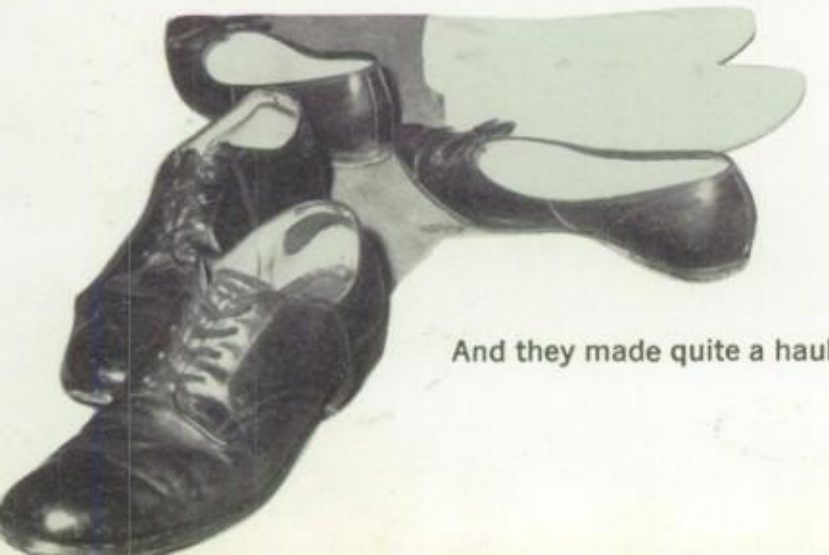
Going, going, gone.

The cheerleaders are sitting as usual.

It's, it's . . . a worm!

And a good time was had by all.

Did you have to go into the girls' locker room to get the shoes?



And they made quite a haul!

A familiar sight.

SENIOR CLASS OFFICERS

LEFT TO RIGHT: Arnold Loper, Sergeant-at-arms; Harold Frye, Sergeant-at-arms; Elaine Seaton, Treasurer; Bill Troutt, President; Susan Stephens, Secretary.

Many exciting events took place over our beautiful California campus and many memories will be treasured . . .

REMEMBER . . .

. . . when the ASB gave the class $5, the prize for the winning clean-campus slogan submitted by "an anonymous senior."

. . . when the Senior Class sponsored a noontime dance the day before Christmas vacation, admission being one can of food for a needy family.

. . . how the Senior Class brought prestige to Hueneme High with the successful production of the class play, "A Mid-summer Night's Dream," by William Shakespeare. The large cast gave two performances in the remodeled gym; proceeds went for the Senior Ball which was held the night of graduation.

. . . how upperclasses enjoyed the Junior-Senior Prom which was planned so well by the juniors.

. . . when the Senior Superlatives were formally announced and honored at separate father-son, mother-daughter banquets in May.

. . . when traditional Senior Ditch Day was held in May, although the exact details of the activity were kept secret until the very day of the trip.

June was a busy month for all class members. Scholarships and other honors were awarded to individuals at the first annual Senior Awards Assembly, and the seniors had a special sports night for signing annuals.

Commencement exercises were held in the quad, which was dotted with red and white caps and gowns worn by the senior boys and girls respectively.

The freshmen are at it again.

Swing your partners!

Underclassmen tie such sloppy bows.

FRESHMAN CLASS OFFICERS AND ADVISORS

LEFT TO RIGHT: Sam Tokuyama, President; Barbara Bowen, Vice-President; Gretchen FitzGerald, Secretary; Elaine Sherlock, Treasurer; Sharon Oldham, Sgt.-at-Arms; Robert Jones, Sgt.-at-Arms.

LEFT TO RIGHT: Mr. Charles Williams, Mrs. Nancy Jensen, Mr. John Robertson—Advisors.

This year the Freshman Class got off to a slow start but with the faithful guidance of the sponsors, Mr. Charles Williams, Mr. John Robertson and Mrs. Nancy Jensen, and the active help of the cabinet members and participating Freshmen, we managed to get rolling.

We convened for our first meeting on Oct. 13, 1960. Among the things discussed were the class constitution, school spirit, beanie sales and a Freshman sponsored dance.

The class constitution, by-laws and rules of order were drawn on November 19, 1960, when cabinet members and the standing committee met.

To encourage school spirit we have been drawing posters for the forthcoming games.

The "Beanie Sales" were conducted during the months of late October and early November with partial success.

As a climax to the 60-61 year, the Freshmen sponsored a dance on March 3, 1961 which was open to all Hueneme High students.

All in all the Freshman Class had a very eventful and interesting year.

EXCHANGE STUDENT

Takeshi Saigusa, Jeff Lampos

"Time flies like an arrow." I may be one of the persons who can exactly feel this proverb. I can't express in sentences how wonderful this year was! Really this year was one of the most wonderful and useful ones of my life. I experienced and was surprised at lots of things, such as the big land, many cars on the good freeways, big supermarkets, the colorful houses, the excitement at football games, parties, lots of assignments, etc. The most unforgettable things are the kindness of the A. J. Lampos family and the Viking spirit, and the frontier spirit of people. Americans are more similar to Japanese than they are different. I realized actually, if we know each other exactly, we can't fight any more and the good understanding is the base of the good friendship. I want you to remember always that you have a Viking in Japan.

Dear Mr. and Mrs. Lampos,

It was our greatest pleasure to receive your letter. We believe that it is the most valuable event that our son, Takeshi, can have a nice chance of studying over there in America. Also we take it a great honor that Takeshi can enjoy his life with your family and also at excellent school in America. We are so happy to be friends with you and we believe this opportunity help promote friendship between our nations. Friends and relatives are all happy about our fortune. We believe our son will lead such a fine life as we all expect. We highly appreciate your kindness of taking care of him for a year. Thank you for the picture of your family. We will send one of our family next time. Please take care of my son as a member of your family from now on. We wish health and happiness will be always yours.

Yours truly,
Mr. and Mrs. Saigusa
